IOWA WRESTLING COACHES & OFFICIALS ASSOCIATION

OPEN DATES

One place to find a dual or tournament with room for your team, post your own opening, and get an email when one comes up in your district and classes.

iwcoawrestling.com/open-dates.html

FIND

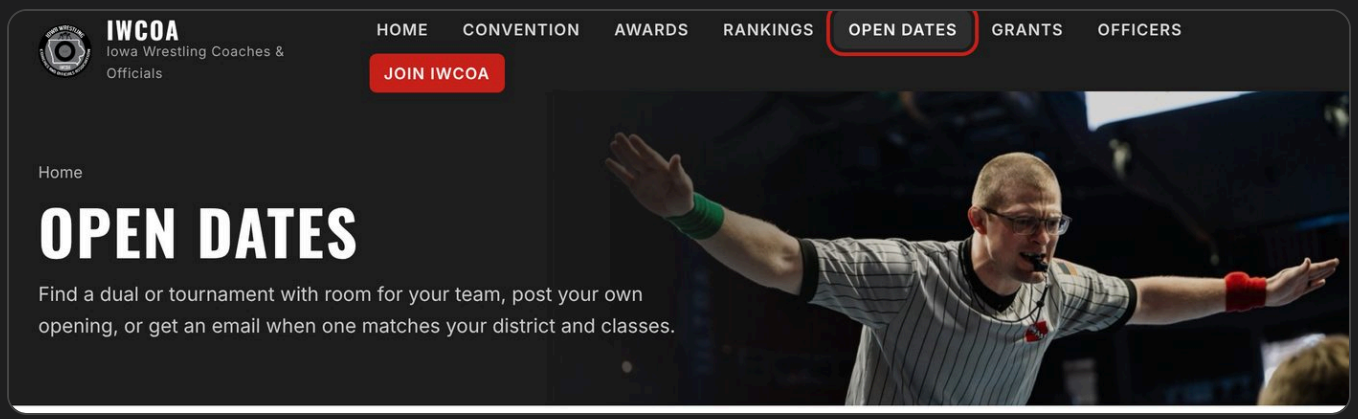

Tap your district on the Iowa map and filter by class, boys or girls, and duals or tournaments.

POST

Hosting and need teams, or have an open date and need an event? Post it in about a minute.

GET ALERTS

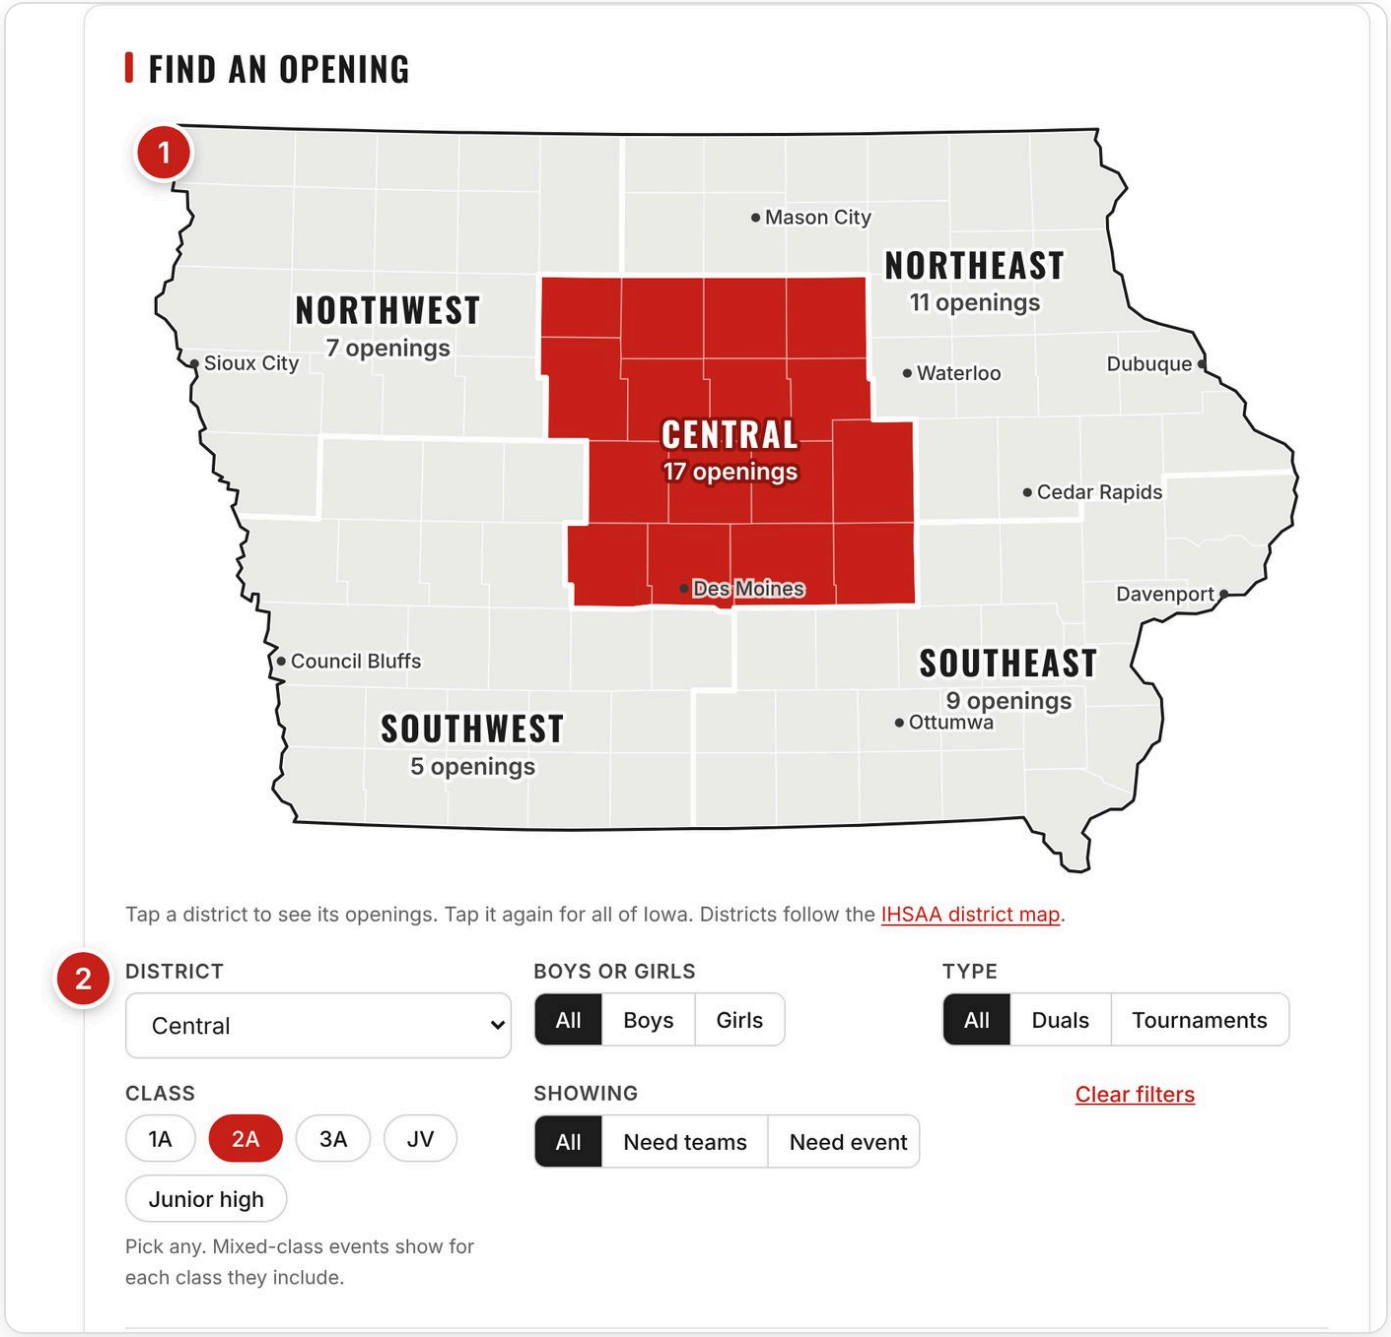

Pick your districts and classes. We'll email you when a matching opening is posted.

Find it under **Open Dates** in the menu at the top of every page on iwcoawrestling.com.

1 FIND AN OPENING

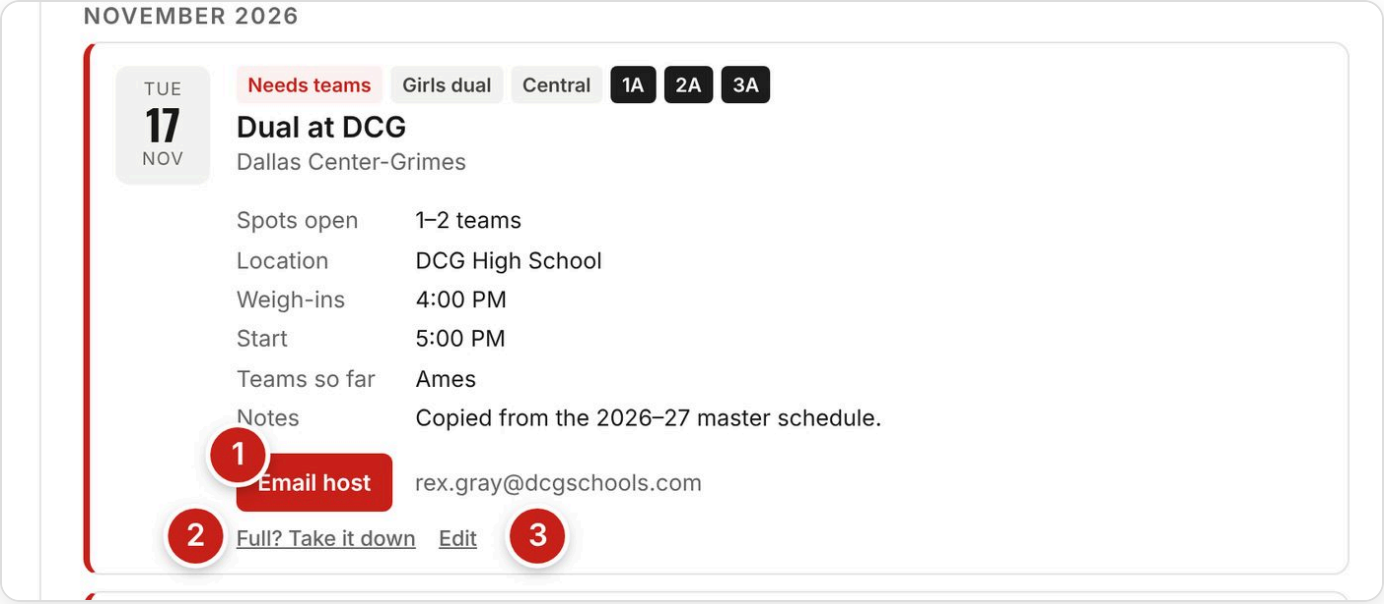

Every opening on the board, sorted by date. Narrow it down in seconds.

1. **Tap your district on the map.** It turns red and the list shows only that district. Tap it again to see all of Iowa. Each district shows how many openings it has.
2. **Filter.** Pick one or more classes (1A, 2A, 3A, JV, junior high), boys or girls, and duals or tournaments. Mixed-class events show up for each class they include.
3. **Read the list.** The count tells you how many match. Openings are grouped by month.

2 READING A LISTING

Each card shows the date, what the host needs, boys or girls, district and classes, then the details.

1. **Email host** opens an email to the host with the event and date already in the subject line. Their address is listed next to it too.
2. **Full? Take it down** is for the host when the event fills. It emails the contact on the listing a link to confirm, so only the host can remove it.
3. **Edit** emails the contact on the listing a link to change it: a new time, spots left, classes, anything.

Labels to know. **Needs teams** means the host has room at their dual or tournament. **Needs an event** means a team has an open date and is looking for somewhere to wrestle.

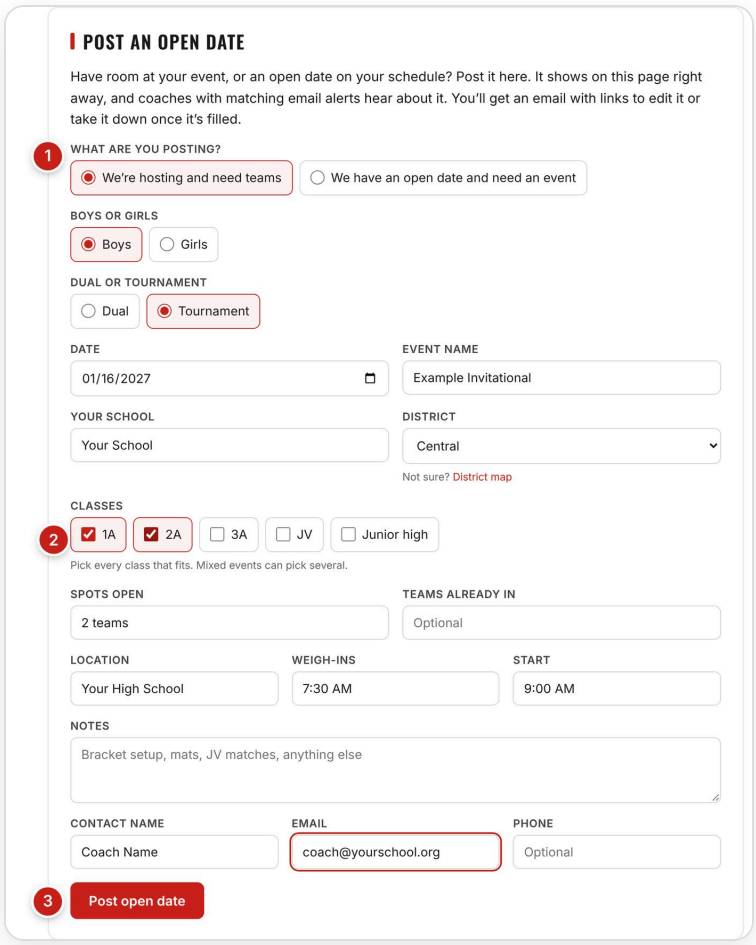

WORKS ON YOUR PHONE

The whole board works on a phone: tap a district, filter and email a host right from the gym. The map and filters stack to fit the screen.

3 POST AN OPEN DATE

Scroll down the page or click **Post an open date** near the top.

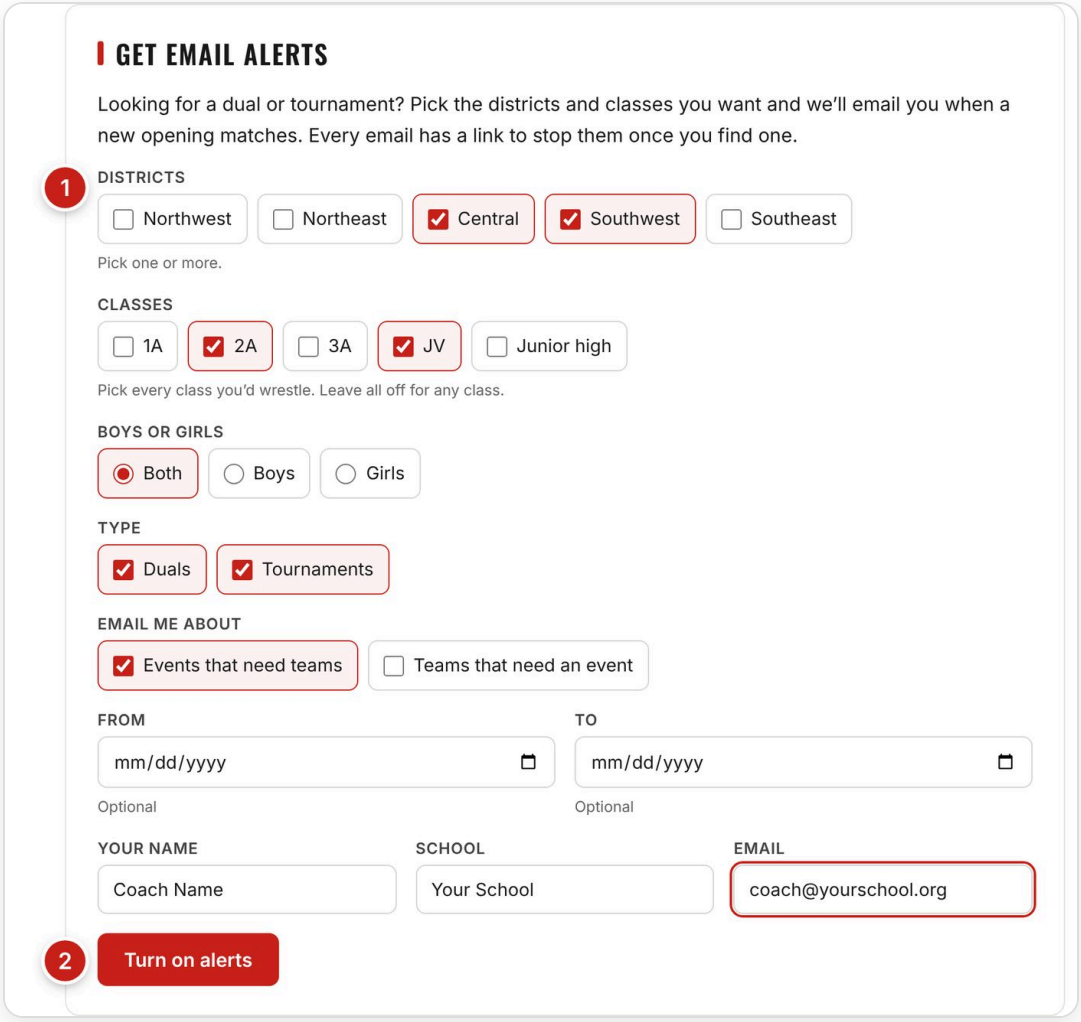

1. **Pick what you're posting.** *We're hosting and need teams*, or *We have an open date and need an event*. Then boys or girls, and dual or tournament.
2. **Fill in the details.** Date, event name, school and district. Check every class that fits; mixed events can check several. Add spots open, location, weigh-ins, start time and notes.
3. **Click Post open date.** It shows on the board right away, and coaches with matching alerts get an email about it.

Check your email. You'll get a copy of your listing with two buttons: **Edit my listing** and **Remove my listing**. Keep that email.

Not sure of your district? The *District map* link under the district box shows every school's IHSAA district.

4 GET EMAIL ALERTS

Looking for a dual or tournament? Let the board come to you.

1. **Choose what you want.** Check one or more districts and the classes you'd wrestle, boys, girls or both, and duals, tournaments or both. Add a date range if you only need a certain stretch of the season.
2. **Click Turn on alerts.** You'll get a confirmation email listing any openings that already match. After that, you'll get an email each time a new one is posted. Reply to an alert email to reach the host.

Found what you needed? Every alert email has a **Found one? Stop these emails** button.

5 WHEN IT FILLS OR CHANGES

Keep your listing current so coaches aren't chasing spots that are gone.

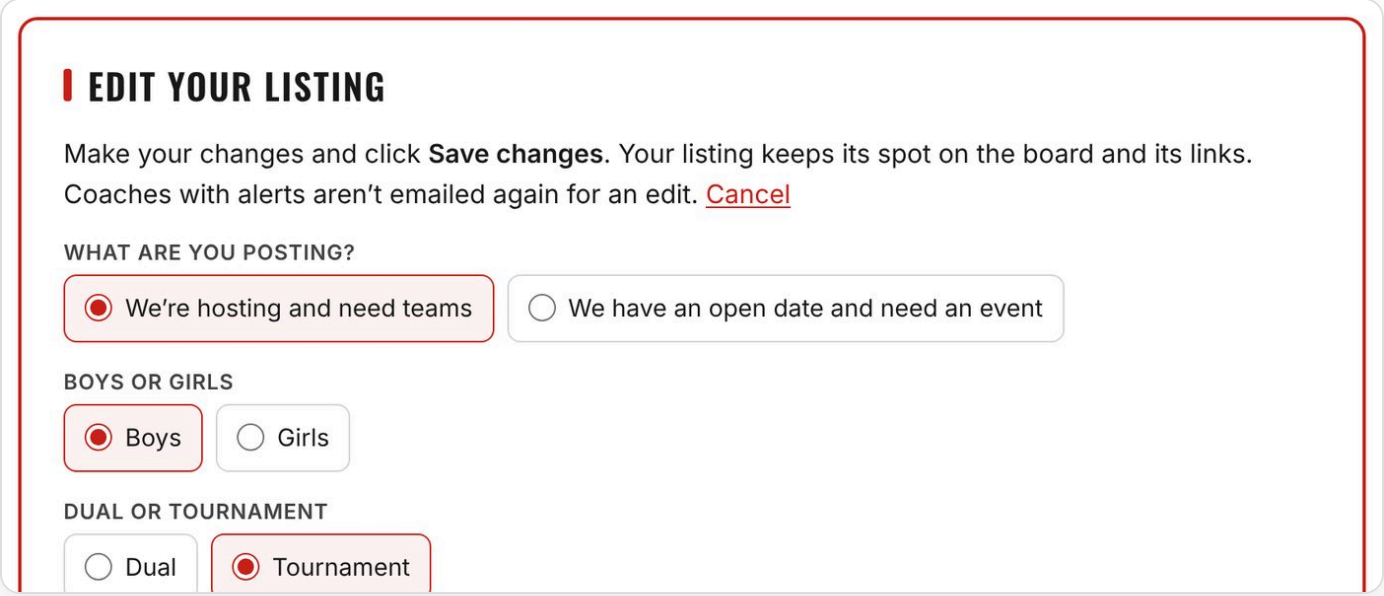

EVENT FULL

Click **Remove my listing** in your posting email, or click **Full? Take it down** on your listing and use the link we email you. The page opens with this box. Click **Yes, take it down** and you're done.

SOMETHING CHANGED

Click **Edit my listing** in your posting email, or **Edit** on your listing and use the link we email you. The form opens filled in with your listing. Change what you need and click **Save changes**. Your listing keeps its place, and alert subscribers aren't emailed again.

Already on the master schedule? Your event was copied onto the board for you. Use the **Full? Take it down** and **Edit** buttons on your listing to manage it. Questions? Email strandberg@iwcoawrestling.com.
